PRINCIPLES GOVERNING THE APPLICATION OF STANDARDS

§ 810.203 Basis of determination.

All other determinations. Each determination of heat-damaged kernels, in-

jured-by-heat kernels, and white or blue aleurone layers in Six-rowed barley is made on pearled, dockage-free barley. Other determinations not specifically provided for under the *General Provisions* are made on the basis of the grain when free from dockage, except the determination of odor is made on either the basis of the grain as a whole or the grain when free from dockage.
